I think we should talk before this meeting on what actions may be appropriate for us to commit to. Thanks.

Hi Jeff and Charlotte. Tom and I would like to see if it would be possible for us to meet to get your perspectives on key issues for OCSPP related to the development of a set of proposed Agency actions on PFAS. I am scheduled to travel to Las Vegas tomorrow afternoon to meet with the Council of State Governments on Thursday, but I can move any of the events I have on my calendar in the morning if we can get a few minutes to discuss. Apologies for the short notice! Please let me know what you think.

Thanks, P.G.
